MILEAGE

Be ready to fly with the new Activa i which has a superb mileage of 60 kmpl*.

COMBI BRAKE SYSTEM

Activa i is equipped with the Combi Brake system (CBS). This ensures a shorter braking distance with more stability.

INSTRUMENT PANEL

Vibrant double tone instrument panel is a real beauty. One simple glance and it provides all the required information to the rider.

TUBELESS TYRES

Activa i carries forward the Honda tradition of leading with innovation. It is equipped with tubeless tyres which reduce the chances of immediate deflation in case of a puncture.

LONG SEAT

With a long seat, travelling with the pillion rider will be comfortable & enjoyable.

TAIL LIGHT

Grab the attention & leave a lasting impression with sharp & catchy tail light. It provides an outstanding look to the overall rear stance of Activa i.

UNDERSEAT STORAGE

The 18 Ltrs storage capacity ensures enough lockable space for articles like a full face helmet, lunch boxes, bags and more.

HUGGER FENDER

Hugger fender is provided on the rear wheel to avoid water & mud splash. It keeps pillion rider & the engine protected from mud.

MUFFLER

The new age style muffler with curved lines present the graceful image of Activa i. It turns heads wherever it goes.

HET (Honda Eco Technology)
HET is Honda's newly adopted technology. Now with HET, this 110cc advanced Honda engine gives superb mileage, generates high power & torque output.
